Local Trips

As part of the curriculum throughout the school, we occasionally like to take children to different attractions in the local area. Examples of the types of places we visit include the church and churchyard, the school sports field, the local playground and park, the library. As we will be walking all 'local' trips will be free.

All necessary safety precautions are followed and the correct ratio of adult to children is used during these outings.

- ☐ I give my permission for my child to be taken out of school on 'local' trips as/when the need arises.
